*The 30 Minute Mobius scarf is fast, easy, uses little yarn and makes a wonder gift.*

**Yarn:** Few ounces of single strand 2/24 or single strand 1/12

**Accessories:** Passap Deco with card #18, U80 or U100 transfer carriage (optional), medium comb and 1 weight

Put 70 -- L35-R35 -- needles into Working Position on each bed.

Handle down. No strippers. SS 4.5/4.5. RC000

Rack handle one full turn to the left

Knit 1 row

Insert comb and weight.

Rack handle one full turn to the right

Knit 1 row

Place a pusher in working position under every knit on front bed. Add one extra needle to left side of back bed.

Attach card reader to center mark. Insert and connect card 18.

Attach Deco to lock. Turn selector to 4

Set locks to N/FX -- no arrow keys

**Knit to RC 360.** As your knitting gets longer roll scarf around comb and reinsert weight. The scarf must be weighted at all times.

Locks N/N. Cancel arrow key.

Knit 3 rows. Carriage on Left

Transfer all stitches to back bed. Leave needles in working position.

**\*\*When using the U80 set selector to 4, move handle to transfer position, sit U80 on right side of front bed with the writing facing you. Move U80 from right to left adding light pressure as you do so.\*\***

Lower the front bed.

Unroll the scarf from the cast on comb.

Now twist the comb 180° and push it up between the beds and hang it over the front bed.

Close the beds.

Use the yellow tool to place the loops from the racking cast on onto the same 70 needles you started with.

Knit 2 rows at SS 6.5/6.5 End with Carriage on Left.

Zigzag cast off all stitches.

Weave in yarn ends.
