For Tuck Stitch Designs Only!

This pattern was designed for the experienced 970 knitter.

Choose symmetrical garment. Entering in the measurements and end the program.

Position the garment and select 10 cm swatch. Multiply your stitch and row gauge, in inches, by 4 and the 970 instantly charts your top.

Step	Line	Large
1	1	30.3
2	2	25.5
3	4	X=7.5, Y=5
4	2	23
5	1	37.8

After positioning the garment, stop the screen. E-wrap cast on stitches as required and knit 1 row. Start the screen and knit according to machine prompting. Hang marker at center front and back. BO loosely. Block pieces. Determine width for neck. Mark, stitch and cut. Seam one shoulder. Apply favorite cut and sew neckband! Seam second shoulder. Apply favorite band to cap sleeve edges. Stitch side seams to within three inches of bottom. Work one row of single crochet around side vents and bottom, Weave in yarn ends. Block
