*Note: Only dolls with nearly straight arms (not 45 ° angle at the elbow) will fit the pullover.*

**Material:** Really small amounts of Tamm Diamante

**Machine:** Any standard gauge machine

**Tension:** 4.1

**Gauge:** 8 st/12.5 r = 1" -- Exact gauge is not necessary, after....it's only a doll!

**Fitted Short Sleeve Pullover**

**Front**

Crochet Cast On (CCO) over 20 stitches. Knit 1 row.

CCO on knit side, knit 1 row two more times.

RC000.

Inc 3 X 1 st EV 6 rows on each side. Knit straight to RC 20.

E-wrap 4 sts on carriage side. Knit 1 row.

Repeat.

On RC 24, put left half of sts in A position on scrap yarn.

*\*With 2 prong tool and starting at **R1**, Dec 1 st EOR for 8 rows.\**

With scrap yarn knit all sts to the right of zero to A position. Repeat \* to \* starting on **L1**. Scrap off

**Back**

Knit same as front except do not shape neck. On RC 32 and with separate piece of yarn BO center 8 sts.

Hang shoulder sts back on machine with right sides together. BO loosely.

### **Finishing**

Block piece with steam iron. The optional machine embroidery should be done before side seams as sewn.

Sew side seams at sewing machine. Make very narrow seam allowances. Steam seams flat.

### **Capri Pants**

CCO over 20 sts.

Inc 4 X 1 st every 6 rows.

On RC 24 \*BO 4 sts on carriage side\*. Knit 1 row.

Repeat \* to \*.

Knit straight to RC 37. COL

Scrap off or take sts off on garter bar.

Double up sts until 12 remain. Knit 2 rows over all sts.

CCO knit 1 row on purl side of knit 2 times.

BO loosely. Block with steam.

Sew leg seam.

Sew front crotch and halfway up back crotch seam.

Sew snap to back waistband.
