For Standard Gauge Machines

Sample knit on Brother 970 using a double bed jacquard technique

Materials: Small amounts of 4 colors of Tamm 3-ply, 2 strands 2/24 or Tamm Trenzi

Accessories: Double bed color changer, weights and combs

Note: Makes sure ribber is properly aligned.

Electronics were not used! Use the manual RC

Attach 4 color changer and thread yarns.

Ribber: Pitch H5, Slide lever center, P-R buttons down, lili button off, P/R lever on R

Over 50 needles each bed, last needle on left on MB, last needle on right on RB

COR

Thread yarn in right most tension mast through the carriage.

Set tension on both carriages to 0/0 and knit 1 row

Hang a cast on comb and weight

Push in left part button on MB,

Push right ribber P-R lever up. Tension 2/2.

Knit 2 rows. COL

Release left part button on MB

Tension 5/4

Knit 17 rows.

*Change to next color

Knit 20 rows*

Repeat * to * to RC 1140

End with COR

Transfer all sts to MB

Bind off around gate pegs.

Weave in yarn ends. Sorry there is no fast or easy way to weave in all the yarns ends! Be like Nike....

JUST DO IT!
